

DEVELOPING RADIO PARTNERS

Donate Today

We invite you to become a Developing Radio Partner and join our partner rural radio stations in bringing information and giving voice to those who need it most in developing countries. Your unrestricted donation supports the foundation of our work, which is leveraged many times by larger institutional grants.

Your donation can help:

- Share the best information on conservation farming to improve livelihoods and the environment.
- Give rural residents a voice to air and solve their problems.
- Reduce deforestation and promote reforestation.
- Enable DRP to develop new projects and share our experiences widely.

Donate online at <http://www.developingradiopartners.org/supportUs.html> or print and complete this form and send to:
